Children attending Preston Grange Primary School for the 30 hour offer will receive an enriched learning experience in our well resourced, purpose built Nursery provision.

Focusing on a language and communication rich curriculum, children will have the opportunity to enhance and enrich their skills from their 15 hour Nursery sessions with opportunities to apply their learning.

We will offer a wealth of meaningful 1st hand experiences through a mixture of adult led and child initiated activities with a strong focus on outdoor learning. This will provide opportunities for us to investigate, explore and learn about the world around us.
