Governors are required to report direct and indirect interests on the school's website a school should obtain the following information from governors:

- Ownership or partnership of a company or organisation which may be used by the school to provide goods or services.
- Goods or services they offer which may be used by the school.
- Any close relationship they have to someone who satisfies either of the above.
- Any close relationship they have to someone who is employed by the school or is within the governance structure.
- Company directorships and/or charity trusteeships.
- Details of any other establishments of which they are a governor, trustee or member.
- Indirect interests where they might benefit by virtue of their relationship with a "connected person". Any circumstances in which a person stands to benefit, even indirectly, is also an interest that must be recorded.
