## Easter eggs

We will be holding our annual decorated hard-boiled egg competition before we break up for Easter. We have a children's competition which is done in school; the eggs are decorated in class, with no adult help. We would be grateful if all children (Nursery included) could bring into school on Thursday (29<sup>th</sup> March) a hard-boiled egg each. Although we have a range of craft materials, please feel free to send in any specific art or craft materials, which your child may like to use to decorate their egg along with a hard-boiled egg on the morning of March 29<sup>th</sup>, thank you.

We also be holding our family egg competition, where families may submit a family entry. We are so impressed by the amazing family entries that we have every year! If you would like to enter the family competition, please send your entry into school with the family name clearly marked, and the name/title of the family entry by 12 noon on Thursday 29<sup>th</sup> March, thank you. We will tweet the entries and the winners at the end of Thursday. Good luck, we can't wait to see the entries this year!

## Easter Egg Competition – Rook Matthews Sayer

Rook Matthews Sayer Estate Agents would like to welcome the children of Preston Grange to join in their Easter egg competition. Their goal is to make the window display at the RMS Whitley Bay branch as beautiful as possible by choosing their favourite design from each winning group.

They are very proud to be a part of the local community and love their little part of the world. So much so, that they have set the theme of the Easter egg competition to 'Our Hometown'. They'd love to see what children love the most about where they live. It could be the beach or the colour of the sea, the amusements or even fish and chips AND ice cream. So, get creative and show us your local area designs!

Yesterday the children will have received an egg template that can be coloured in, drawn on or painted. As well as displaying the winners from each group in our window over Easter, each winner will also receive a prize!

The competition will be divided into:  
Nursery and Reception  
Years 1, 2 and 3  
Years 4, 5 and 6

There will be prizes for 1st, 2nd and 3rd design. Prizes include the following:

Nintendo Voucher, Roblox Voucher, Easter Eggs, Book Voucher, Voucher for Retro Bay Café Gaming Centre, Gruffalo Soft Toy and Book, Lego, Voucher for The Arcade Warehouse

We would like to thank you in advance for taking part!

### **Ford Castle residential**

Year 4 children will be going on a residential to Ford Castle, Northumberland on April 29<sup>th</sup> – May 1<sup>st</sup>. All parents should have received the google form We would also like to invite all families to a meeting about the residential trip at 4.30pm on Tuesday 19<sup>th</sup> March. The children may attend along with yourselves to find out all about the visit, and to ask any questions that you may have.

### **Children's Cancer Run**

Today the children will come home from school with a leaflet about the Children's Cancer Run on May 19<sup>th</sup>, which explains where you can find out information about how to take part in the 41<sup>st</sup> Children's Cancer Run.

### **Eagles Art Competition**

Today the children will also come home with a leaflet to complete if the children would like to take part in a competition from the Newcastle Eagles.

### **Business Manager**

I am delighted that after having no Business Manager since January, we have managed to appoint Mrs Smith to the post at our school. I'd like to welcome her to the staff team. We are thrilled to have her in post as of March 18<sup>th</sup>.

### **Year 2 Dance festival**

Some of our Year 2's took part in the North Tyneside Dance Festival at The Parks last week, and they were absolutely incredible! Thanks so much for the families who supported the children. We will let you know when the DVD is available from the event.

### **Reminder – Early Years open morning**

As you will be aware, we have added more outdoor resources around the back of school in our large, spacious grounds in order to offer a wider range of activities and areas for our children to work outdoors over the last year or so. We have invited our current Nursery and Reception families into school this week on Friday between 9.15am and 11.30am, so that you are able to see our Early Years in practice. The session is a drop in one, please feel free to call in at any time between these times.

### **Comic Relief**

Friday this week is Comic Relief. We ask the children to come into school wearing any bright, or colourful clothes that they would like to wear. Please feel free to make a donation to the charity if you so wish.

## Year 6 SATs meeting

Thank you to Mr Russell-Thompson for delivering a parent information session after school last week for Year 6 parents about the upcoming SATs for Year 6. If you were not able to attend, I recommend that you contact the school office and the powerpoint slides may be sent to you along with some other information.

## Catering – school lunches after Easter

From April 15<sup>th</sup>, North Tyneside Council will not be providing our school meals as they will no longer be running. We have had to choose another catering company and I can confirm that the new catering provider will be Hutchison's. They provide several schools around us with their catering service, and we are delighted to be working with them. As part of the process, our lovely staff, Emma and Lillian will still be working in our school kitchen, which is great news! Other good news is that the price of school meals will remain the same at £2.60 per day.

# Hutchison Catering and Preston Grange Primary School April 2024

### Managing Special Diets – Parent information from Hutchison's

A school lunch is an important part of a child's day, providing an opportunity for them to socialise with their friends, try new foods and re-fuel ready to continue their learning in the afternoon. However, for families of children with special dietary needs, we appreciate that eating a school lunch may cause nervousness. We have a policy and procedure in place to ensure that children with special dietary needs are kept safe at lunch time but also get the opportunity to have a balanced lunch with their friends.

To ensure your child is catered for safely each day, we need to collect some essential information about your child's requirements. Please complete the form on the following page and return to the school. If the special dietary need is a medical need (e.g. allergy or intolerance), please also provide a note from a health professional (Doctor or Dietician) confirming your child's needs. This can be a letter for your health professional confirming the diagnosis, an excerpt from medical records which are freely available your GP or through the NHS app. **We will not be able to process this request without this information.** This will then be passed on to the catering team who will work with the Company Nutritionist and Operations Manager to assess whether it is safe for us to cater for your child.

We will do our utmost to cater for all children, where it is deemed safe to do so, and individual menus will be put in place for each child registered with us as having a special dietary requirement. However, on occasion we may feel it is not safe to cater for a child. This decision is not taken lightly and will always have the safety of the child as the highest priority. It usually occurs when a child has a very restricted diet or medical condition, coupled with the limitations of catering for large numbers in a school. We are not legally obliged to cater for all pupils, but we will do our utmost.

Following this assessment, we will work with you to devise a menu suitable for the child that is in line with the menu available to the rest of the school, adapting recipes where possible. We will endeavour to provide you with a bespoke menu for your child within 10 working days of receiving the request. In the meantime please provide a packed lunch or we can offer a jacket potato with a suitable filling.

### **Bikeability**

I would like to apologise for the many changes to the Year 5 bikeability sessions over the last few months. This has been due to both the weather and staffing issues with the team that deliver the bikeability sessions for schools. I have requested that the final sessions to be delivered are arranged without any further changes. Mr Szymanski will be in touch with the final dates for the remaining children shortly. Many thanks for your support with this.
